*To conduct a Medline/PubMed search: Access www.pubmed.gov ; type "stress urinary incontinence, radiofrequency" in the search box at the top of the page (be sure to type radiofrequency as one word *and* include the comma). It may be necessary to click on the "related articles" link to view all citations.

Abstract Presentations

1. Elser, D. Long-term Durability of Renessa for the Treatment of Female Stress Urinary Incontinence. *South Central AUA 2008 Section Meeting and New England AUA 2008 Section Meeting*.
2. Elser D, Mitchell, G. Long-term Durability of Renessa for the Treatment of Female Stress Urinary Incontinence. *Western AUA 2007 Section Meeting, Northwest Urological Society 2007 Meeting and Kimbrough Urological Seminar (SGSU) 2008 Meeting*.
3. Cline KJ. Video Urodynamic Evaluation of a Nonsurgical Transurethral Radiofrequency Collagen Denaturation Treatment for Stress Urinary Incontinence. *Northeastern AUA 2007 Section Meeting and Kimbrough Urological Seminar (SGSU) 2008 Meeting*.
4. Appell RA. Long-term Durability of an In-office, Nonsurgical Transurethral Radiofrequency Treatment for Female Stress Urinary Incontinence: A Retrospective Analysis. *South Central AUA, Northeastern AUA and New England AUA 2007 Section Meetings*.
5. Appell RA. Long-term Durability of a Nonsurgical Transurethral Radiofrequency Treatment for Female Stress Urinary Incontinence: A Retrospective Analysis. *Northwest Urological Society 2006 Meeting*.

6. Juma S. Long-term Durability of a Nonsurgical Transurethral Radiofrequency Treatment for Female Stress Urinary Incontinence: A Retrospective Analysis. *Advancing Minimally Invasive Gynecology* 2006 Annual Meeting.
7. Wells WG. Acute Quality-of-Life Improvements after Non-Surgical Transurethral Radiofrequency Energy Collagen Denaturation for Stress Urinary Incontinence. *North Central AUA and South Central AUA* 2006 Section Meetings.
8. Lenihan JP and Reilley SF. Comparing Gynecologists and Urologists: Non-surgical Stress Incontinence Treatment Efficacy Outcomes. *American College of Obstetricians and Gynecologists* 2005 Annual Meeting.
9. Wells WG and Kanellos A. Impact of Menopausal Status on Leak Point Pressure following Non-surgical Radiofrequency Energy Tissue Micro-remodeling in Women Suffering from Stress Urinary Incontinence. *International Continence Society* 2004 Annual Meeting.
10. Reilley SF, Sotomayor M, Bernal GF. Durable Quality of Life Improvement for Women with Moderate to Severe Stress Urinary Incontinence following Non-surgical RF Tissue Micro-remodeling. *International Continence Society* 2004 Annual Meeting.
11. Sotomayor M and Bernal GF. 12 Month Results of Non-Surgical Radiofrequency Energy Micro-Remodeling for Stress Incontinence. *International Continence Society* 2003 Annual Meeting.
12. Sotomayor M and Bernal GF. Transurethral Delivery of Radiofrequency Energy for Tissue Remodeling in the Treatment of Stress Urinary Incontinence. *International Continence Society* 2002 Annual Meeting.

Other Presentations

1. Elser, D, Mitchell, G. Three-Year Clinical Trial of Nonsurgical, In-office Transurethral Radiofrequency Collagen Denaturation for Treatment of Stress Urinary Incontinence: Interim Efficacy Results. *American Urogynecology Society* 2008 Meeting, *Northeastern AUA* 2008 Section Meeting, and *North Central AUA* 2008 Section Meeting. (poster presentation)
2. Elser D, Mitchell, G. Long-term Durability of Renessa for the Treatment of Female Stress Urinary Incontinence (12 month results). *American College of Obstetrics and Gynecology* 2008 Meeting. (poster presentation).
3. Elser, D, Mitchell, G. Twelve-Month Durability of Effectiveness of Transurethral Radiofrequency Collagen Denaturation (Renessa®) for Treatment of Stress Urinary Incontinence in Women. *International Continence Society* 2008 Meeting. (read-by-title presentation).
4. Elser D, Mitchell, G. Long-term Durability of Renessa for the Treatment of Female Stress Urinary Incontinence (6 month results). *Advancing Minimally Invasive Gynecology* 2007 Meeting. (poster presentation).
5. Cline KJ. Video Urodynamic Evaluation of a Nonsurgical Transurethral Radiofrequency Collagen Denaturation Treatment for Stress Urinary Incontinence. *Advancing Minimally Invasive Gynecology* 2007 Meeting. (poster presentation).
6. Appell RA. Long-term Durability of a Nonsurgical Transurethral Radiofrequency Treatment for Female Stress Urinary Incontinence: A Retrospective Analysis. *Society of Gynecologic Surgeons* 2007 Meeting. (poster presentation).
7. Wells WG. Acute Quality of Life Improvement After Nonsurgical Transurethral Radiofrequency Collagen Remodeling for Stress Urinary Incontinence. *Western AUA* 2006 Section Meeting. (poster presentation).
